

Dear Chevone

Congratulations! The International Family-Centered Early Intervention Conference (FCEI) is pleased to inform you that your application for parent scholarship has been awarded 800 Euros towards your attendance at our 2016 gathering in Bad Ischl, Austria.

Written acceptance of your award is required 10 January 2016 by which time you will also need to have registered on-line to confirm your attendance. If you know before this date, however, please inform us to assist with further planning.

Thanks to the generous support of the MedEI Corporation, we are so pleased to be able to provide this financial support. We very much look forward to seeing you in June, and hope these funds make that possible.

Most sincerely,

Bianca Birdsey, parent, THRIVE SA, GPODHH
